Mr. J. H. Walker
 Acting Commissioner Genl Land Office
 Austin, Texas.

Dear Sir:-

Yours of 7/16 is received.

Please note the date on Field Notes as well as Blue print July 5th 1910. The application was made on July 2^d 1910. I made the Survey on the Application of Mr. A. L. Metcalf in March, but as it was not filed with your office inside of 90 days, Mr. Metcalf renewed his application July 2^d 1910. I went to the ground July 5th 1910 and verified my former Survey and dated it on Maps and Field Notes March & July 5th 1910. I have now obliterated the March and left the July 5th 1910. Please advise me if this is sufficient and greatly oblige

Mr. A. L. Metcalf,

Houston, Texas.

Dear Sir:-

This is to advise that your application and field notes for a survey of 104 $\frac{1}{2}$ acres of land in Harris County, have been examined but have not been approved, for the reason there is no vacancy for this survey. It is entirely on B. H. Freeling's $\frac{1}{3}$ league patented (Harris 2-49). Said Freeling calls to begin on the NE corner of D. Fay, assignee of John Walter (B-49), and also calls for its SE corner, and also calls to run north 1000 varas with the east line of said Fay survey to the place of beginning. Your file, therefore, is rejected.

Yours truly,

Dib/Log.
